CEU Process:

- Face-to-Face: Each attendee will scan the provided session QR code with their personal smart device upon entering and exiting each session or type in a link on your mobile device to complete the online survey. The session evaluation permits SRTS to verify session attendance and presenter evaluations throughout the conference. Your CEU transcript will be available upon successful completion of the course evaluations and attendance verification. To view your CEU Transcript, click on your name in the top right corner of the screen, and view your "certificates." SRTS Room monitors will be available for assistance.
- Virtual: Sessions may be viewed on demand between April 18 – May 6, 2022. The online platform does **not** permit attendees to fast forward an on demand session. If an attendee chooses to pause a session and re-resume, the conference attendee will need to play the entire session. Your CEU transcript will be available upon successful completion of the course evaluation(s). To view your CEU Transcript, click on your name in the top right corner of the screen, and view your "certificates." Feel free to print your transcript for your records.
