

## Welcome to the 2023 Southeast Recreational Therapy Symposium

We are excited to announce that Southeast Recreational Therapy Symposium is partnering again with ATRA! SRTS will be utilizing ATRA's conference platform during the 2023 Symposium for registration, our face-to-face conference in Gatlinburg Tennessee, and on-demand sessions. We are thrilled about the great content, both in-person and on-demand sessions. Please review the options noted below.

Through SRTS' partnership with ATRA, electronic CEU transcripts will be available immediately following the successful completion of each session(s) via the conference platform.

### Conference Registration:

All SRTS attendees will [register](#) through ATRA's website. It is recommended that all conference attendees sign in before April 1, 2023, to increase your level of comfort with the conference platform and permit SRTS to address all questions timely.

- Existing ATRA members will utilize their preexisting sign-in information.
- Professionals & students who aren't currently ATRA members will create a sign-in name and password. ATRA has improved their system.
  - Please note that there will be a **different registration pricing structure** for **in-person** and **on-demand sessions** this year.
  - We are happy to be offering the ATRA Quality Internship Supervisor Training for potential internship supervisors!

#### CEU Process:

- **Face-to-Face:** Each attendee will scan the provided session QR code with their personal smart device upon entering and exiting each session or type in a link on your mobile device to complete the online survey. The session evaluation permits SRTS to verify session attendance and presenter evaluations throughout the conference. Your CEU transcript will be available upon successful completion of the course evaluations and attendance verification. To view your CEU Transcript, click on your name in the top right corner of the screen, and view your “certificates.” SRTS Room monitors will be available for assistance.
- **On-Demand Videos Only:** Sessions may be viewed on demand between April 16 – May 7, 2023. The online platform does **not** permit attendees to fast forward an on-demand session. Please be mindful that if you leave your browser, you may have to replay the video. Your CEU transcript will be available upon successful completion of the course evaluation(s). To view your CEU Transcript, click on your name in the top right corner of the screen, and view your “certificates.” Feel free to print your transcript for your records.

We look forward to seeing you in Gatlinburg Tennessee and stay tuned for further announcements.
